And God's People Prayed ... 

World Prayer Calendar 2023-2024

Dear BAGBR family,

When we consistently pray for the nations, we never know how God will use our praying, and we will never know the larger impact of this until eternity. Praying is an act of faith in that seldom do we have feelings that accompany our prayer life, nor do we see results at the speed that we would like to see them. So, as you pray through this World Prayer Calendar (WPC) do it in faith, for without faith, it is impossible to please God (Hebrews 11:6) and whatsoever is not of faith is sin (Romans 14:23). The importance of praying for the nations has been a priority for me for almost two decades, and every year when I come to December and conclude the year, it is a very special time for me to know that every nation, every state in our nation, all the pastors of our association, and the ministries of our association have been prayed over, at least once!

So let me challenge you to do that, starting at our associational meeting and praying through the WPC until you have covered the world! How God works in and through faithful intercessory prayer is amazing. This became very real to me and caused me to realize how God uses this in our daily work and walk here in Baton Rouge. A few weeks ago, my wife and I were eating at a restaurant, and I noticed that the lady taking our order had an accent that did not sound like she was from South Louisiana. I asked her where she was from and she told me Albania, and then I asked, "Is the capital of Albania, Tirana?" She looked at me stunned, shocked that anyone would know what the capital of her home nation was, especially someone in South Louisiana. It is not that I am that good with geography, but rather because I have been praying over all the nations every year for so many years, and in the WPC the capitals of all the nations are listed with the respective nations. That was how I was able to recall the name of her nation's capital. This opened the door for an opportunity to share the gospel with someone from another nation who is living in our nation, and it was all related to praying over all the nations. We never know how God will use our time praying over the nations... He not only will take us to the nations that we pray over, but God will also bring the nations to us. In Christ,

Dr. Tommy Middleton

A suggestion on how to use this prayer guide:

1. This guide divides the 200 nations in our world, our United States, the churches in the BAGBR Association, and the BAGBR ministries into 50 groups. “**People groups and unreached people groups**” have been added to each country. Per the *IMB peoplegroups.org* website, these groups are defined as follows: **People group** – a group of people sharing a common ethnic identity and language; **Unreached People Group** – a people group is unreached when less than two percent of its population is evangelical Christian. We have also added the **freedom indicator** for each country as identified by the website below. The freedom index is as follows: **The ability to share the gospel in a given location:** <https://Freedom in the World 2023 Country Report | Freedom House> The SBC churches per state/region numbers were obtained from the 2022 Southern Baptist Convention Annual. The addition (↑) or loss (↓) of churches in that state/region is calculated from the prior year.
2. If you were to set aside one day of the week to pray for missions, we ask that you pray for these, a different grouping of four, one/two churches of BAGBR, and one ministry and one state each week.
3. At the end of the calendar year, you will have prayed one time for every country in the world, every one of the States of the US, all the churches in BAGBR, and the different ministries in BAGBR.
4. At the bottom of most pages there is space to make notes or write impressions that you may have as you pray and meditate. There are maps at the back of the booklet as well, so that you will be able to visually see where these countries are located in our world.
