And God's People Prayed ...

World Prayer Calendar 2025-2026

Dear BAGBR Family,

When we look at a map of the world and how vast it is and then factor in that the population is eight billion+, it can almost be overwhelming to realize that our mission is to take the Gospel to the ends of the earth. We look at these numbers, and it can be mind-numbing! Yet, Jesus saw things differently. He knows the hearts of all those in the multitudes and sees their need for God. He also knows that there are laborers that are called to go. As you pray through the World Prayer Calendar, would you ask the Lord to help you see the world the way He sees it? Ask the Lord to raise up workers in these nations that are in great darkness. Ask God to stir up those in our own country to be willing to pray for the nations, give generously to missions, send and support the work of those who are on the field, and, as God prompts you, that you will be willing and determined to go. This prayer to the Lord of the Harvest was not a prayer for God to send out “Others,” but it was also our willingness to be sent! God may send someone from one of these nations that you are praying for to move into your neighborhood, next door, come into your workplace, or be a classmate in your school. This is a prayer for us to be willing to obey anytime, anywhere, and to engage anybody. Pray with us to the Lord of the Harvest that we all will be engaged in the Harvest in some way!

Until the end of my life, to the ends of the earth, I am ALL IN! Are you?

In Christ,
Tommy Middleton

A suggestion on how to use this prayer guide:

1. This guide divides the 200 nations in our world, our United States, the churches in the BAGBR Association, and the BAGBR ministries into 50 groups. “**People groups and unreached people groups**” have been added to each country. Per the *IMB peoplegroups.org* website, these groups are defined as follows: **People group** – a group of people sharing a common ethnic identity and language; **Unreached People Group** – a people group is unreached when less than two percent of its population is evangelical Christian. We have also added the **freedom indicator** for each country as identified by [Freedom House](https://freedomhouse.org/countries/freedom-world/scores). In addition, the **SBC Churches** per state/region numbers were obtained from the 2024 Southern Baptist Convention Annual. The addition (↑) or loss (↓) of churches in that state/region is calculated from the prior year. The number of churches was not available for some states.
2. If you were to set aside one day of the week to pray for missions, we ask that you pray for a different grouping of four countries, one/two churches of BAGBR, and one ministry and one state each week.
3. At the end of the year, you will have prayed one time for every country in the world, every one of the states of the US, all the churches in BAGBR, and the different ministries in BAGBR.
4. There are maps at the back of the booklet so that you will be able to visually see where these countries are located in our world.
