## **What is Blitz on the Bayou?**

Blitz on the Bayou is a one-day training conference offered by BAGBR and designed for Sunday School leadership, pastors, directors, teachers of adults, college, youth, children, and preschoolers. Additional sessions include topics on prayer & library. Experienced session leaders and stimulating keynote speakers make this event one that is well worth the time. Offered every year in August, here are some comments from attendees of Blitz 2009:

*“I will return to my class with a renewed teachable spirit and focus on putting into practice the fantastic things God has shown me through these most excellent teachers.”*

*“I'm empowered and equipped to change my teaching methods to better reach my fellow learners.”*

*“Well, this year you touched on everything that I could think of. You touch the issues that I'm dealing with.”*
